

# Thank you Charter Communications!

Pictured above are just a few of the great volunteers from Charter Communications who helped a disabled veteran and his 90 year old mother!

This September a talented team of volunteers from Charter Communications made an amazing number of repairs for Louise, a disabled senior citizen. Louise told a reporter that this was truly an answer to her prayers. At 90 years of age, Louise is no longer able to keep up with the many repairs needed to her home of

over 40 years. Volunteers from Charter Communications accomplished a remarkable number of tasks including building a wheelchair ramp, repairing the roof, repairing broken windows and even replacing her worn out washer and dryer. Click here to see an interview with Louise
